Comments

UPDATE: The Federal Aviation Administration (FAA) is working closely with federal, state, and local officials to slow the spread of COVID-19. To reduce the exposure of the virus, the Civil Aviation Registry has temporarily discontinued walk-in visits to the Public Documents Room until further notice. The Federal Aviation Administration accepts documents containing digital signatures by email. The documents may be submitted electronically as an attachment to an email at 9-avs-ar-electronic-submittals@faa.gov. Documents signed in ink must be submitted by U.S. Post Office or commercial delivery services. The link to [Contact the Aircraft Registration Branch](#) provides our contact information including our mailing and physical addresses. Any questions can be by email Aircraft Registration Branch, or you can call 1-866-762-9434, or 405-954-3116.
